Contemporary Unknown Soldier exhibition

Within the closing ceremony we had the pleasure to view artist Carmen Emanuela Popa's exhibition "Contemporary Unknown Soldier":

"The exhibition is a eulogy dedicated to the solitude of the contemporary man, who carries multiple battles to earn the living, to live safely and to enforce virtues, one of the highest forms of self-expression. Man is an anonymous and unique song in the immaterial light of a Sunday. You can often meet the unknown soldier of today, as a simple passer-by or in the parallel metro."

Carmen Emanuela Popa, visual artist and designer.
